

~ IN MEMORIAM – VALERIE DIANE (KOVACS) WOLSKI ~

Valerie Wolski, an Individual Supports Worker employed by CMHA East Central Region in Camrose, passed away tragically while on duty on February 12, 2011.

A graduate of Camrose Lutheran College (now Augustana Campus of the University of Alberta) with a major in Psychology, Valerie had worked for CMHA twice over a period of many years, including the past six months.

Val loved her work and will be sorely missed. Our deepest sympathies are extended to Val's family, friends and her co-workers at the CMHA in Camrose.

She was recognized by a moment of silence by the CMHA Alberta Division Board at its March 5, 2011 meeting.

A bursary at Augustana University College has been established in her name.
