

# Localize Your Concerns

You're encouraged to use the space provided to identify areas of local concern to bring forward with government officials and stakeholders in your area.

Remember to:

- identify the issue you want their support on such as housing, support for families/caregivers, access to treatment or any other important issue;
- identify something that is working, like a pilot program, evidence or approaches used by other jurisdictions; and
- make your request specific.

## Local Concern #1:

A local issue of importance to me/us is:

---

---

One way this has been addressed locally/in another jurisdiction is:

---

---

What I/we would like the Government of Alberta to do is:

---

---

## Local Concern #2:

A local issue of importance to me/us is:

---

---

One way this has been addressed locally/in another jurisdiction is:

---

---

What I/we would like the Government of Alberta to do is:

---

---

## Local Concern #3:

A local issue of importance to me/us is:

---

---

One way this has been addressed locally/in another jurisdiction is:

---

---

What I/we would like the Government of Alberta to do is:

---

---
